

Another Day In Paradise

She **calls out / comes out** to the man on the street

"Sir, can you help me?"

It's and I've nowhere to **sleep / sit**,

Is there **somewhere / someone** you can tell me?"

He walks on, doesn't look back

He..... he can't hear **her / here**

Starts to whistle as he crosses the street

Seems..... to be **there / here**

Oh think twice, it's another day for

You and me in paradise

Oh think, it's just another day for you,

You and me in paradise ***** (think about it)

She calls out to the man on the street

He can see she's been

She's got **blisters / bitten** on the soles of her feet

She can't walk but she is

Oh think twice, it's another day for

You and me in

Oh think twice, it's just another day for you,

You and me in paradise ***** (just think about it)

Oh lord, is there nothing more anybody can

Oh lord, there must be **nothing / something** you can say

You can tell from the on her **face / feet**

You can see that she's been there

.....been moved on from every place

'Cos she didn't fit in **there / here**

Oh think twice, it's another day for

You and me in paradise

Oh think twice, it's just another **die / day** for you,

You and me in paradise ***** (just think about)
