DO your best to
make friends!

2. Read the text. Choose *make* or *do* in each case.

Just ¹. make / do it!

Want to have a better life? Then you'll need to get proactive! Proactive people enjoy life more. They take the initiative, are always ² making / doing plans and ³ make / do the most of every situation. They also accept full responsibility for their actions and don't ⁴ make / do excuses. They sometimes ⁵ make / do mistakes but this is inevitable, as they are always ⁶ making / doing lots of new things. However, when something goes wrong they don't ⁷ make / do a fuss and they ⁸ make / do an effort to solve the problem. Proactive people are also really good to have as friends, because they will always ⁹ make / do their best to help you. So ¹⁰ make / do yourself a favour: get more proactive! It certainly won't ¹¹ make / do you any harm.
