

Student A

A Visit to the Doctor's

You are a doctor.

Your partner will ask you for some advice.

1. Ask your partner some questions:

- How do you feel?
- Have you got a temperature?
- What are your symptoms?
- How long have you been feeling like this?
- etc.

2. After your partner has answered your questions tell your partner that they have flu. It isn't serious.

3. Give your partner some advice about how to get better.

Use these pictures to help you.

– You may also have some ideas of your own

Student B

A Visit to the Doctor's

You are feeling ill and have gone to the doctor's

Your symptoms, (the things that are wrong with you) are:

- You have a sore throat
- You have a high temperature
- You feel very weak
- You ache all over

If you don't understand something say: 'I'm sorry, what's that?'
